Ms. June Prisant  
Hannah Banana Foundation  
200 E 74th St #11-d  
New York, NY 10021

Dear Ms. Prisant,

On behalf of Mather Hospital and the patients served by our Speech-Language Pathology department, thank you for the Hannah Banana Foundation's donation of 25 wipe boards. They will aid in facilitating communication for patients receiving acute care. As you know, enhancing patients' capacity to communicate is key to ensuring they receive the highest quality of care and the full support of family members at a difficult time. We especially appreciate your generosity in responding to our request amidst the challenges of the pandemic.

Sincerely,

Nancy Uzo  
Vice President, Public Affairs
